

Utilities

Parsing, Converting,  
and Comparing - Functions  
to Manipulate Sequence  
and Structure Strings

```
graph LR; A["Parsing, Converting, and Comparing - Functions to Manipulate Sequence and Structure Strings"] --> B["Utilities"]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the word "Utilities". The box on the right is gray with a black border and contains the text "Parsing, Converting, and Comparing - Functions to Manipulate Sequence and Structure Strings". A blue arrow points from the right side of the gray box to the right side of the white box, indicating a relationship or flow from the functions to the utilities.
